The feasibility of separate procurement procedures for each ONGC operated NELP block, will not provide the scope of economic / cost advantage in presence of existing stringent MM set procedures /guidelines in line with article 8.3(f) read with article 23.2 of PSC.</p> <p>The procurement policy of ONGC is being constantly reviewed and upgraded as per CVC guidelines. The outcome shall be brought out to the notice of</p>

Other procurement procedures will be as per the PSC stipulations.</p> <p>As it is confirmed that there is no profit element in this transaction, the audit exception may please be considered for Settlement.</p>
